

5/4/2016

- People don't have \$400 to their name
 - Internal locus of control vs. external
 - Society, banks, modeling
 - Early Warning Report: We've given up our rights to control to the government.
- Chance of a lifetime, shorts (puts) on the S&P500
- Puerto Rico just defaulted...and United States of America, Inc. (the corporation) lives there...which means the US Treasury department just defaulted!
- Course correction vs. being spoon fed
- Trying to time gold when it will be down...vs long term dollar cost averaging, etc.
- Pattern Interrupt: Pickup artists are ASSWIPES!
 - (At least the majority of them...)
- Gold is up because the dollar dropped?
 - This is only part of the answer...

- Things are inflated because of where we're at in the election process.
- There's a lot of pessimism today...not true because the Schiller is at 27...and a boom is considered at 25.
- The markets crash because they ran up on bullshit.
- Car market is going to take a massive hit compared to real estate...especially used cars.
- Secret Space Program
 - They were trying to make ships invisible to radar...but they ended up sending them into a wormhole or something!
 - The Montauk project was an extension of that.
 - Cell phone towers operate at EXACTLY the same rates that our brains operate at...it's fully setup for mind control.
- Book: "The Giza Powerplant" – Christopher Dunn
- Bilderberg's : "Silent Weapons for quiet wars"

- They don't need mind control...they just need to display it enough.
- Zerohedge.com
 - Talk about converting our internal stock market over to something that is not bitcoin.
 - And also on roguemoney.net
 - "Are the banks preparing to use Blockchain technology to get rid of cash?"
- Why are we going to war with Russia?
 - The only thing keeping it alive is the petrol dollar.
 - Russia is getting ready to do what China did, because they're about to back their currency by gold and not the US Dollar.
 - Book: "Overthrow" – History of US taking over countries.
- John Lear – Most credible UFO/Alien guy Matt knows of.
 - Dad started Lear Jet.
- WUKAR Shirt Contest

- 60% of the US military is aware they are being ordered to do is complete bullshit.
- Any war is staged
- 9/11
 - Girders can't melt
 - Matt saw a video of the missile that hit the Pentagon.
 - Oklahoma City
 - Frank Keating
 - Governor of Oklahoma & former head of CIA!
 - Brother is a novelist...Martin Keating - who wrote a fiction book about the CIA.
 - Gihad ~1991
 - Oklahoma City was in 1993
 - One of the stories in Martin's book was about a group of terrorists, about fertilizer & the head character was Tom McVey
- Hillary Clinton scandels
 - Fired
 - Just Google it
 - Movie: "Eyes Wide Shut"

- Karatbars
 - Binary breakdown & packages
 - Advantages of getting in early
 - Advantages of having a VSL like Matt can produce
