- Daohub.org
 - An entire financial system
 - Decentralized Autonomous Organization
 - BitCoin is only a currency
 - ETH – Ethereum, based on bitcoin
 - Closing on the 28th for good
 - Ehtereum blowing up
- Traffic
 - Google display network - #1 in world
 - Fakenamgenerator.com
 - Facebook is better in some ways, but worse in others

- Compliancy:
 - Privacy policy
 - Income disclaimer
 - Links to the homepage
 - Phone number
 - Etc.
 - Google it: "compliant landing pages"
 - For FB: Setup a biz manager account
 - Under it: Create a basic page
 - Contact them and tell them you want an unlimited agency account
- Home ownership is WAY down since 2005...and used cars are worse.
 - (car loans, sub-prime type of loans are at an all time high now...just like real estate in 2007)
- When scrubbing email lists...
 - Use something like xverify.com
 - They'll scrub your lists
- Big list in aweber...

- Get it off immediately
- Be sure you have this info:
 - IP address (critical)
 - Date opt-in
- You'll have way more than .2/.3% complaint ratios...and you'll have to work with them and explain the rates.
- FOMO: Fear Of Missing Out
-

Submit testimonials for Matt,
Tar'Lese...even Ben or Jason here!
